NUMBER 39.

TERRITORIAL FAIR.

A Rousing Crowd Enjoyed Itself Yesterday.

The Horse Race, Foot Race and Horse Races.

THE MAROONS WIN THE BALL GAME.

Yesterday the attendance was not quite so large as the day before, but the box receipts show that the crowd was as large as any day of last year. The grand stand was literally packed with gentlemen and ladies, while the quarter stretch and along the railings were well-filled with good-humored spectators.

Superintendent Metcalf kept the events going at a lively gait, and to his credit there were no long waits nor tediums.

Accounts of the events will be read with interest in the following paragraphs:

Yesterday's First-Class Events.

The conclusion of the horse running race, dry, hot, occurred the first thing after 1 o'clock p.m. The Los Vegas ran the course in 28 1/2, and the Hermosa in 33 seconds. The Present boys, having made the quarter time, 27 seconds, will return the handsome territorial baton for another year. These Arizona sprinters are workers and are destined of success, which they achieved by hard running and clear heads.

The times in the straightforward horse race were as follows: Present, being the first to run, made the time in 23 1/2 seconds; Albuquerque 22 1/2; Hermosa, 25; El Paso, 23 1/2; Los Vegas, 24 1/2; the Albuquerque team winning the race.

THE FOOT RACE.

The 100 yard dash between Granger of this city, and Bidwell, of Prescott, caused considerable money to be placed by Albuquerqueans upon Granger, and the Prescott delegation was not slow in taking all bets. As is usual in all foot races, the men were slow in getting off, but when they did the sprinters came tearing up the track at full speed. Granger leading for eighty yards, when Bidwell moved up to him and from there to within a few feet of the outcome the men were running a "dead heat," but just before they passed across the line Bidwell gave a spurt and took the lead and race by about fifteen inches. It was as pretty a foot race as one would like to see. No official time was announced but several watches showed the time to be 10 1/2 seconds.

Granger is unlucky in his foot races, but when he runs up he always finds willing backers among the Albuquerque admirers and friends.

THE HORSE RACES.

In the great free-for-all trot the following horses, who have heretofore made first-class records, appeared on the track: Faro, bay gelding, owned by W. H. Carter; Eli Almont, sorrel gelding, owned by G. Gauthier; Black Cloud, bay gelding, owned by J. S. Phelan; and Carl, the sorrel gelding, from Denver, owned by G. W. Cook. Carl's record had prevailed to the fair and he held favorite against the entire field. Bets were also made that Black Cloud would beat Faro at the finish, and the noble Albuquerque animal did that very much to the surprise of all.

The Phoenix saloon, corner Second street and Railroad avenue, is one of the best places in the city for fine liquors, cigars and cool beer at 5 cents a glass.

Call at Mrs. Oaks, and you will be delighted with the elegant and fashionable hats and bonnets she has in stock. Her prices are reasonable.

Delegates Thomas, of Santa Fe, moved that the convention adjourn until 7:30 p.m., which motion prevailed.

The reports of the various committees was heard at the evening session, and were unanimously adopted by the convention.

Chairman Patterson then announced that he was prepared to appoint the general committee and in consequence he named the following gentlemen to serve:

Juan S. Hart, El Paso; T. W. Heman, White Oaks; H. B. Ferguson, Albuquerque; William Burns, Sibley County; R. Y. Anderson, San Pedro; E. L. Bartlett, Santa Fe; J. S. Smith, Socorro; A. M. Berger, Los Lunas; T. M. Patterson, Denver.

SECOND HEAT.

In this heat Carl took the lead from the start and maintained it clean through the mile, being jugged under the wire to prevent the other horses from a "shut-out." Black Cloud, Faro, and Eli Almont were doing great work in the rear. Faro, however, passed under the wire second. Time, 2:32 1/2.

The third and last heat was taken by Carl. Time, 2:34.

SUMMARY.
Carl, sorrel gelding, owned by G. W. Cook. Black Cloud, bay gelding, owned by J. S. Phelan. Faro, bay gelding, owned by W. H. Carter. Eli Almont, sorrel gelding, owned by G. Gauthier. Time, 2:32 1/2, 2:34.

RUNNING—FIVE EIGHTH MILE DASH.

Kip Springer, bay stallion, owned by F. M. Smith; Silent King, bay gelding, by J. M. Murphy; John Windfall, bay stallion, by John Windfall; Jr.; Laurence, sorrel stallion, by J. Broadwell, were the horses to contest the five-eighths mile dash. The horses started off well, and they kept each other company until the stretch to the wire was moved away from the bunch and passed under the wire winner.

RUNNING—QUARTER MILE DASH.

Keno, Gypsy Queen, Flaxey, Cricket and F. Blanchard were in this race, and as all the horses were known to be fast at that distance, it was hard for the plunger to guess the winner. The Trinidad boys had settled on Keno as their favorite, while Jimmy McCormick, Hugh Sullivan, J. A. Johnson, W.

After the appointment of the above committees, on motion Temporary Chairman W. F. Thornton adjourned the meeting until 2 p.m.

On being called to order at that hour, W. M. Berger, of Santa Fe, got up and stated to the convention that it was evident that a number of the delegations had gone to the fair, and he moved that the convention adjourn until 7:30 p.m.

Delegates Heman, of White Oaks, moved to lay the motion on the table, for he desired to proceed to work and get through the business as soon as possible.

The motions of both Messrs. Berger and Heman were withdrawn, after which W. B. Sloan, of Santa Fe, moved that a permanent organization be formed.

The report for permanent officers was received from the committee as follows:

President, Hon. T. M. Patterson, of Denver; vice president, the chairman of each delegation, to hold their seats on the floor; secretary, Solon E. Rose, of Albuquerque.

SCORING INNINGS.

Maroons 1 2 3 4 5 6 7 8
Pinos Altos 1 2 3 4 5 6 7 8
Pinos Altos 1 2 3 4 5 6 7 8

The game was called at the end of the eighth inning on account of darkness. By winning from the Pinos Altos, the Albuquerque Maroons won the purse offered by the fair association and the championship badge awarded by the management.

The Maroons are evidently "in it" this season, and it is hoped that they will make arrangements at an early day to give the El Paso Browns a tussle on the diamond field. Juan S. Hart, captain and second baseman of the El Paso club, was an interested spectator of yesterday's game of base ball, and he gathered some notes of the playing of the Maroons. He was convinced that the local boys are bad losers from the start to the finish, and would give the best clubs of the country a stiff game to beat them.

THIS AFTERNOON.

This is the last day of the eleventh annual fair of the New Mexico Exposition and Driving Park association, and there is a large crowd in attendance, witness the interesting events. The fair has been a grand success financially and otherwise, and no lack of any consequence has been heard. Visitors have been treated kindly and they will return to their homes pleased.

Mr. Patterson is regarded as one of the most brilliant orators of the west, and on mounting the rostrum, he fittingly thanked the delegates for conferring upon him the honor of their permanent chairman, and eloquently dwelt upon the importance of better and more railroad facilities between the state of Colorado and territory of New Mexico.
